**Report**

The placement and skill development Cell in collaboration with IQAC organized one day workshop on Career Opportunities after graduation on 25<sup>th</sup> March, 2022. The resource persons and the programme were introduced by Dr. N. D. Nikam (Coordinator, Placement and Skill Development Cell). The resource persons for this workshop Dr. Bhosale M. B and Dr. Bhola S. S. were felicitated by the Principal Dr. V. S. Sawant.

The first session was chaired by Dr. S. D. Jadhav (Vice- Principal & Head Department of Chemistry). Dr. Bhosale M. B. guided the students the career opportunities after the pandemic. He motivated students to find out the opportunities in the corporate sectors. The session was concluded by the vote of thanks given by Mr. N. M. Gosavi.

The Second session was chaired by Dr. V. J. Wadate (Vice- Principal & Head Department of Economics). Dr. Bhola S. S. delivered his talk on employability skills essential for the corporate sectors. He also guided the students about the communication skills, grooming, personality development and interview techniques. The session was concluded by the vote of thanks given by Mr. D. D. Patil.

The workshop was attended by 65 students. The feedback received from the participant was positive and energetic.
