Short Term Course in Web Designing

Brief Report

The Department of Computer Application designed syllabus and conducted Short Term Course in Web Designing with the following objectives:

- To make students aware of the importance of web designing.
- To make student self developers / employed by imparting them skill to develop websites.
- To develop websites for small scale businesses.

The Board of Studies (BoS) of this course included the in-house faculty. Mr. K. S. Jadhav designed the topics such as Internet and WWW. Miss. D. B. Jangam D. B. designed the topics such as Style Sheets and JavaScript. Mr. R. P. Chavhan has designed the topics such as Introduction to Server-side Scripting.

The in-house faculty Miss. D. B. Jangam and Mr. R. P. Chavhan completed the portion of the syllabus conducting lectures from 5th February to 25th April, 2018. Total students enrolled to the course were 15. The course was finished with the Practical Examination for 50 Marks and Written Exam of 50 Marks. The exam of the course was conducted on 30th April, 2018 which 15 students appeared and passed successfully. Each student was provided with the Certificate after scoring expected marks in the examination.

The course was run smoothly and effectively with the special guidance of Prin. Dr. V. S. Sawant and the time-bound cooperation of the faculty from Department of English, D. P. Bhosale College, Koregaon.
