DEPARTMENT OF COMPUTER APPLICATION

Academic Year: 2020-21

Short Term Course in Web Designing

Brief Report

The Department of Computer Application designed syllabus and conducted Short Term Course in Web Designing with the following objectives:

- To make students aware about importance of web designing.
- To make student self developers / employed by imparting them skill to develope websites.
- To develop websites for small scale businesses.

The Board of Studies (BoS) of this course included the in-house faculty. Mr. K. S. Jadhav designed the topics such as Internet and WWW. Miss. D. B. Jangam D. B. designed the topics such as Style Sheets and JavaScript. Miss. V. B. Kanse has designed the topics such as Introduction to Server-side Scripting.

The in-house faculty Miss. D. B. Jangam and Miss. V. B. Kanse completed the portion of the syllabus conducting lectures from 2nd February to 27th April, 2021. Total students enrolled to the course were 22. The course was finished with the Practical Examination for 50 Marks and Written Exam of 50 Marks. The exam of the course was conducted on 30th April, 2021 which 22 students appeared and passed successfully. Each student was provided with the Certificate after scoring expected marks in the examination.

The course was run smoothly and effectively with the special guidance of Prin. Dr. V. S. Sawant and the time-bound cooperation of the faculty from Department of English, D. P. Bhosale College, Koregaon.
