Visit to Shri Ganesh Nursery, Tal. Chinchali

In the academic year 2021-2022, Department of Zoology has organized a short educational trip for the B.Sc. II & III students of the college. On 22nd January 2022, students of Department of Zoology visited Vermicomposting Unit and Botanical Garden of Shri Ganesh Nursery, at Chinchali. This activity was organized to explore, encourage and imbibe the research attitude and culture in the students. It also helped students to think and work creatively and promoted scientific awareness.

The aim of this visit was to understand Vermicomposting technique, some insect and birds variety in and around Shri Ganesh Nursery, Chinchali. We left Koregaon in groups by S.T. bus in the morning at 9.30 am and reached at 10.30am. After reaching to Nursery, students firstly visited vermicomposting unit, understood the techniques of organic vermicompost formation which is helpful for organic farming. Then students were visited to medicinal plant garden, seen varieties of medicinal Indore and outdoor plant varieties. Students also understood the medicinal uses of plants in daily day to day life. This knowledge was really helpful to the students for further applications in molecular biology. 26 students and 2 staff visited the Vermicomposting Unit and Botanical garden and motivated to work in Applied Zoology.
