“Celebration of World Wildlife Week”

In the academic year 2022-2023, Department of Zoology has celebrated World Wildlife Week for the all students of the college. On 7th October 2022, Department of Chemistry, Zoology and Department of Forest jointly organized A guest lecture based on **Wildlife**. In all over the world, the first week of October is celebrated as World Wildlife Week. The purpose of this week is to promote the protection of wildlife, this is done to make people aware of the importance of wildlife, encouraging them to preserve wildlife.

India is a biological hotspot, which means, it is home to a large variety of animal and plant species. India's flora and fauna are highly diversified and constitute more than 7 percent of the world's biodiversity. This week is commemorated to increase the awareness among the common mass regarding the role of wildlife in maintaining nature's equilibrium.

Program was started with welcome of guest and theme of lecture was introduced by Mr. R.T. Dhope. Felicitation of guests were carried by Dr. S. D. Jadhav. Then the guest lecture was delivered by Mr. Lokhande, Range Forest Officer, Koregaon. During his lecture he taught about biodiversity of Animals. After this lecture Mr. T. M. Mohite deliver lecture based on threats od biodiversity. Mr. Lokhande and Mr. Mohite guided students about Need of Conservation. 70 students took the advantage of this lecture and participated enthusiastically by Dr. Mrs. S.P. Nalawade expressed the vote of thanks to everyone. The committee is thankful to all the members who have directly or indirectly contributed to this work and made this event successful.
