Notice

Date - 08 / 10 / 2022

All the Students of B.Sc. III are here by informed that the Department of Mathematics has organized the extension activity "Teaching Mathematics at School" in The Modern English School, Koregaon on 11th October 2022. All the Students should present at 10.30 a.m. in the department.

A. Lunche
Head
Department of Mathematics
D. P. Bhosale College, Koregaon

Brief Report

Department of Mathematics conducted extension activity entitled **Teaching Mathematics at School** Friday 11th October 2022 the activity was conducted with the prime objective of inculcating teaching skill, class control skill among the students, presentation skill so as the students confidence will be building to the students. 06 students were taken to village name Koregaon conducting this activity in The Modern English School, Koregaon. The students prepared the topics of mathematics such as expansion of Right angle triangle theorem and Higher order quadratic equations examples and solution of equations. They were assessed by two faculties Mrs. Salunkhe A.S. and Miss. Chinake A.K. We reached the school at 11:30 am keeping the objects as follows

Objectives of this activity

- To acquire the students with teaching methods like demonstration, writing skill, etc
- To build the confidence among the students while teaching mathematics in the school.
- Encourage students for playing the role of teacher.
- To provide platform to the students for learning the skills.
- All the objectives has been achieved by this activity 06 students played the role of teacher. The headmaster and their staff helped to us to conduct this activity the students of the school gave their feedback mostly with the excellent remark on the teaching of our students total 124 students of this school got benefited by this activity.
