Workshop on -Preparation of Household Chemicals

(2018-2019) 28/01/2019 to 30/01/2019

Report

Department of Chemistry organized a three day workshop on preparation of household chemicals from 28th to 30th January, 2019. This course was organized for B. Sc. III class. For this course, Shri. Pramod Bhosale was present as a chief guest. Pramod Bhosale is the founder of Karmavir Krupa Cosmetics and Household Chemicals.

In this course students were taught to make different household products. Workshop was formally inaugurated on Monday, 28th January, 2019. On the first day of the course, students were taught how to make scented incense sticks and candles. For this, initially lectures and then demonstrations were held. On the second day of the course, students were taught how to make shampoo and hair oil. On the last day of the course, students were taught how to make perfume, the most important product. The closing ceremony was followed by an evening session. In this, prizes were given to three students who excelled in the course.

A total of 65 students of B. Sc. III Chemistry participated in this workshop. The course provided an opportunity for students to learn something different from regular chemistry. The feeling that even if you don't get a job in the future, you can start your own business was awakened in the minds of the students. In completing this course, the, Hon'ble Prin. Dr. V. S. Sawant gave useful guidance. Dr. S. D. Jadhav, Head, Department of Chemistry helps to complete this workshop.
