Brief Report

The Department of Mathematics organized study tour as the Student Centric Activity for all round development of the students in the academic year 2017-18. Department organized the study tour at Infosys, Pune on Monday, 6th January, 2018 to expose us to various experience. We started from Koregaon at 7.00 a.m. by a bus. We were amazed to see the rules, Regulations and discipline of the industry the lectures were organized by different resource persons about the soft skill, communication skills and interview techniques. Lastly the session of question answer was organized and student participated in it.

The study tour enriched with lot of information, various experience, joy. Infosys tour started with the campus tour continued with the Spark event where in many Infosys experts like Josef took a very interactive lecture with students. The study tour enriched us with lot of information, various experience & Joy. The host Asif Mulani who took us throughout the campus was quite interactive very friendly and had an excellent decorum. Rules formulated in the campus that are watched by S.R.P.F. that all are very strictly followed by we people and also every employee follows them very particularly and the cleanliness of the campus is meticulously maintained. The **08** students benefited by this study tour.
