Extension Activity: Teaching Mathematics at School

Brief Report

Department of mathematics conducted extension activity entitled “**Teaching Mathematics at School**” Friday, 13th December 2019 the activity was conducted with the prime objective of inculcating teaching skill, class control skill among the students, presentation skill so as the students confidence will be building to the students 11 female students were taken to village name Koregaon conducting this activity in Z.P.school Subhashanagar, Koregaon. The students prepared the topics of mathematics such as expansion of Paythagorus theorem and Area and Perimeter examples and solution of equations they were assessed by Mrs. Salunkhe A. S. we reached the school at 11:30 am keeping the objects as follows:

Objectives of this activity

- To build the confidence among the students while teaching mathematics in the school .
- To acquire the students with teaching methods like demonstration, writing skill, etc.
- Encourage students for playing the role of teacher.
- To provide platform to the students for learning the skills.

All the objectives has been achieved by this activity 11 students played the role of teacher. The headmaster and their staff helped to us to conduct this activity the students of the school gave their feedback mostly with the excellent remark on the teaching of our students total 45 students of this school got benefited by this activity.
