“Celebration of National Nutrition Week”

In the academic year 2022-2023, Department of Zoology has celebrated National Nutrition Week to create awareness among students about health. On 7th September 2022, on the occasion of this week Department of Zoology organized a guest lecture on **Healthy Nutrition** by Nutritionist Dr. Vijaya Kadam.

In India, the first week of September is celebrated as National Nutrition Week. The purpose of this week is to raise awareness among the general public about the value of healthy eating practices and proper nutrition for upholding a healthy lifestyle. A balanced diet and an active, healthy lifestyle are required for this. The government launches programmes to promote nutrition awareness throughout this week. It also helped students to think and work creatively and promoted scientific awareness about daily life style and diet. The aim of this lecture was to understand importance of diet, nutrition, food value and vegetarian culture of food to introduce values of Nutrition.

The program was started with introduction, welcome and felicitation of guest by Head Department of Zoology Dr. Mrs. S.P. Nalawade. Then the guest lecture was delivered by Dr. Vijaya Kadam, Clinical Nutritionist, TMV Pune. Dr. Vijaya Kadam guided students about difference between South Indian and North Indian Food diet. She thrown a light on Yoga, Dosha and 10 basic points of healthy life style. 40 students and faculty took the advantage of this lecture and participated enthusiastically. Dr. K.J. Kamble expressed the vote of thanks to everyone. The committee is thankful to all the members who have directly or indirectly contributed to this work and made this event successful.
