ABOUT THE SANSTHA

The Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Padmbhushan Dr. Karamaveer Bhaurao Patil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, money-lending, illiteracy, untouchability, superstitions and social and economic inequality.

ABOUT THE COLLEGE

D.P. Bhosale College, Koregaon is an educational institute imparting education in rural area affiliated to Shivaji University, Kolhapur. It was established in 1968 with Arts, Science and Commerce faculties in the initial stage at the graduation. The inspiration for inception of this college came from Hon. Y.B. Chavan former, Chief Minister of Maharashtra and Deputy Prime Minister of India, Hon. Dadasaheb Jagtap and Hon., Dhondoji Patloji Bhosale. The college is renamed after D.P. Bhosale who was generous and donated a large amount of money for the all the students. For further development this college was handed over to Rayat Shikshan Sanstha, Satara.

In last few years, this college has grown up with various new academic courses including post-graduation. The college has strong infrastructure like academic wing, science wing, library building, indoor sports complex, ladies' hostel, support service building, cafeteria/canteen and spacious playground with standard 400 m running track. The college has a very good tradition of organization of zonal and inter-zonal sports competitions and university level events.
