Plant of the Day

Inauguration of the Activity – Report

Biodiversity comprises of Plants, Animals and Microbes of which **plants** are the basis of all life and are necessary for all other living organisms to sustain on the planet. Plants provide food, fodder, medicines, timber, many more including **oxygen**. Every region has its own distinct plant diversity with their local utilization for various purposes. Nowadays people are moving towards the plant-based medicines, health supplements, nutrition, organic farming etc. At least students should have knowledge about the local plants; their uses, scientific name any other diagnostic feature keeping this concern the Department of Botany, D. P. Bhosale College, Koregaon has initiated **Green Corner – Plant of the Day Activity** with the cooperation of B. Sc. I students group. The activity is inaugurated on 29th December 2021 with auspicious hands of Hon. Prin. Dr. V. S. Sawant in presence of Prof. S. D. Jadhav, Vice Principal, D. P. Bhosale College, Koregaon, Dr. S. M. Deshpande, Head Department of Botany, D. P. Bhosale College, Koregaon, Dr. R. B. Patil, In- Charge of the Activity, Assistant Professor, Department of Botany, D. P. Bhosale College, Koregaon, Dr. U. A. Desai, Dr. S. S. Patil, Ms. P. P. Kamble, students of B. Sc. Part I and B. Sc. Part III. The first day is celebrated with the display of rare monotypic endemic plant *Frerea indica* Dalz. belonging to family Asclepiadaceae. The information of plant is given by Ms. Madhuri Kajale B. Sc. III student. This plant is named in the honour of Maratha King Shivaji Maharaj as a “SHIV SUMAN”.
