### Use of LCD & Smart Boards in TLE

The faculty from department of English used LCD Projector and Smart Board in Teaching & Learning process during the academic year 2022-23 conducting ICT Enabled lectures in Hall No. C-0-4. This method of teaching has proved to be beneficial as well as friendly to the teachers and students of the department. It promoted the use of ICT in TLE and encouraged students to be familiar with modern technology tools of learning. Total 48 students have got benefitted by this learning method. LCD Project was used for power point teaching and showing curriculum based films and movies to the students. This technique of conducting lectures with LCD projector created more interest among the learners.

Smart Board was used for drawing figures while teaching Linguistics to the students. It also helped to refer to the different websites while teaching some of the topics and concepts like Globe Theatre, ancient literature and art, etc. The faculty from department i.e. Dr. B. S. Lokde, Mr. R. T. Wadate, Mr. R. V. Gaikwad, Mr. S. U. Kasgawade and Mrs. S. P. Mane used LCD Projector as well as Smart Board for conducting lecture of B. A. Part –III students frequently.
