Blood Check Up Camp

Report

The Healthcare Committee and the Department of Zoology at D. P. Bhosale College, Koregaon, collaborated to organize a Blood Checkup Camp on 20th December 2023. This initiative aimed at promoting health awareness and encouraging a healthy lifestyle among students and faculty. The event was conducted in collaboration with MLT (Medical Laboratory Technology) Department, UNICEF, and the Public Health Centre, Koregaon.

Registration of Camp by Prin. Dr. B. S. Chavan

Dr. S. P. Nalawade, Head of the Department of Zoology, and Chairman of the Healthcare Committee, played a pivotal role in actively organizing the camp. The committee members, along with the support of MLT department students and Public Health Centre, Koregaon, contributed to the success of the event.

The primary focus of the camp was on conducting blood tests, including Hb (Haemoglobin) detection and other essential blood tests. The camp aimed to screen

the health status of participants and raise awareness about the importance of regular health check-ups.

A total of 180 students and faculty members actively participated in the blood check-up activity. The collaboration with the MLT department facilitated the smooth collection of blood samples, ensuring a comprehensive and efficient screening process.

The blood check-up camp was executed with precision, thanks to the coordinated efforts of the Healthcare Committee, the Department of Zoology, and collaborating organizations. The MLT students, under the guidance of professionals, skilfully collected blood samples, which were then sent to the Public Health Centre, Koregaon, for thorough examination.

Faculties actively participated in Blood Check Up Camp

Principal Dr. B.S. Chavan played a crucial role in supporting and guiding the organizers in executing this health-centric initiative. His encouragement and support contributed significantly to the successful implementation of the camp.

The Blood Checkup Camp served as a platform to identify health issues early on and promote preventive healthcare. The initiative not only provided valuable health insights to the participants but also fostered a sense of responsibility towards individual health and well-being.

The collaborative effort of the Healthcare Committee, the Department of Zoology, MLT department, UNICEF, and the Public Health Centre, Koregaon, made the Blood Checkup Camp a meaningful and impactful event. The active participation of students and faculty members demonstrated the college community's commitment to health awareness. Such initiatives play a vital role in fostering a culture of wellness and preventive healthcare within the academic community.
