Brief Report

The Department of Mathematics organizes activities for students, faculty as well as other stakeholders of the college. During the current academic year, the faculty from the department decided to celebrate The Independence Day on 15th August, 2023. The celebration included the publication of a Wall-Paper.

The main objective of the activity was to create awareness about the national development of the students . For successful conduct of this activity, the faculty from the Mathematics department contributed a lot. The **7 students** of the department actively participated in celebration of Independence Day.
