**REPORT**

Coconuts are known for their versatility as every part of the coconut tree, from the fruit to the leaves, and even the roots, has some utility. Coconuts are a significant part of the cultural and economic landscape in tropical regions. World Coconut Day is celebrated every year on September 2 to promote the importance of coconuts and their contributions to various aspects of life, including the economy, agriculture, and health. The day also aims to raise awareness about the benefits of coconut cultivation and consumption. The coconut fruit provides nutritious coconut water, its pulp or meat is delicious, and the oil derived from it is used in cooking, beauty products, and other items. Coconut husks, shells and leaves too are used for various purposes.

World Coconut Day is celebrated every year on September 2 to promote the importance of coconuts and their contributions to various aspects of life, including the economy, agriculture and health.

The Department of Botany and B. Voc. (Sustainable Agriculture) jointly organized Guest Lecture on the occasion of World Coconut Day under the Lead College Scheme of Shivaji University, Kolhapur on 1<sup>st</sup> Sept 2023 by Dr. B. M. Yadgirwar on topic entitled "Coconut: Production Technology & Commercial Applications". The program was graced with welcome and felicitation of Dr. B. M. Yadgirwar, Subject Matter Specialist, Horticulture Division, Krishi Vidyan Kendra, Borgaon by I/C Prin. Dr. B. S. Chavan. The welcome and introduction of program on the occasion of Coconut Day was by Mr. Pranay Rasal. The brief introduction of Resource Person was given by Dr. P. P. Kamble. The expert has focused mainly on the commercial cultivation of Coconut by farmers, selection of varieties, agronomic practices etc. The

vote of thanks was proposed by Mr. S. V. Thigale. Total number of 39 student participants attended the guest lecture and benefited with the guidance by the expert.
