

D. P. Bhosale College, Koregaon

Department of Chemistry

Department of Chemistry organized Guest Lecture on 'Stereochemistry for PG Student' on 25th January 2023. The main motive of this guest lecture was to gain the knowledge of Stereochemistry from subject expert. The introduction & welcome of this guest lecture was done by Dr. V. S. Koshti, Coordinator PG Department of Chemistry. The Inauguration was done with auspicious hand by Prin. Dr. B. S. Chavan.

Prof. Dr. S. D. Jadhav has delivered the Guest lecture on Stereochemistry. He discussed basic stereochemistry of heterocyclic compounds. He also explained the concept of enantiomer, distereomers, and chirality of heterocyclic compounds. His expertise and passion for Stereochemistry greatly enriched our learning experience and inspired us to delve deeper into the subject matter.

The session was ended with vote of thanks by Mr. N. M. Gosavi.
