A Report on Blood Donation Camp 2024-25

A Blood donation camp was organized by D.P.Bhosale College, Koregaon through which more than 125 units of blood was donated by the staff members of Department Of Microbiology our D.P.Bhosale college Koregaon. It is a way of D.P.Bhosale College Koregaon; hope to contribute to the serious problems of acute shortage of blood.

Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too.
