

Grievance Redressal Cell

Report

The Grievance Redressal Cell of D. P. Bhosale College, under the leadership of Principal Dr. B.S. Chavan and Chairperson of the committee Dr. Mrs. S.P. Nalawade, played a pivotal role in maintaining a harmonious and transparent atmosphere on campus throughout the academic year 2023-24.

Grievances were collected through suggestion boxes and oral communication, with mechanisms in place to ensure confidentiality and encourage the open expression of concerns. At the end of each semester, the suggestion boxes were opened in the presence of the committee members.

During the review of grievances, it was observed that students had raised a concern regarding the **requirement of specific books in the library**. The Cell promptly addressed this issue in coordination with the Library Committee and the college administration. The necessary books were procured, ensuring that students had access to the academic resources they needed. This timely action reflects the college's commitment to addressing student concerns and enhancing academic facilities.

The minutes of the previous meetings were referred to during the discussions, confirming that no unresolved grievances from the first term or earlier remained pending. The Cell also emphasized its commitment to continuous improvement by encouraging feedback from students and faculty to enhance operational efficiency and inclusivity.

The Grievance Redressal Cell remains steadfast in its objectives, including prohibiting ragging, preventing unfair practices, and upholding justice. Through its efforts, the Cell has significantly contributed to fostering a positive, inclusive, and fair environment within the college.
