The Department of Microbiology has organised an industrial visit to the Wonder Life Sciences Ajinkyatara Sahakari Sakhar Karkhana Ltd. Shendre Satara, with the prior permission of Rayat Shikshan Sanstha Satara. The destination is about 30 km away from the Koregaon.

Day of Visit :- Friday, 29/12/2023

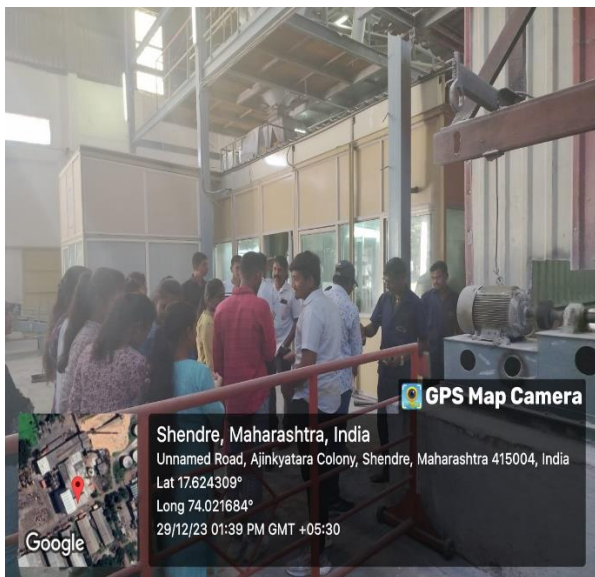

No. of students participated in study tour :- 20

Faculties – 03

Time of Departure and Arrival: We left Koregaon by S.T. bus early in the morning at 9.00 am and reached to Satara at 11.00pm. We started return journey on at 5.00 pm and reached to Koregaon at 06.30pm.

Aim of excursion- The main objective of the study tour was to get detail knowledge about the industries to study how the sugar and alcohol preparation is done in industries. Students can study the different aspects of Microbiology by arranging excursion tour.

On our journey first we visit at **Ajinkyatara Sahakari Sakhar Karkhana**. This is the one of the famous sugar industry situated near to Satara. The sugar industry subsumes the production, processing and marketing of sugars (mostly sucrose and fructose). Globally, most sugar is extracted from sugar cane In that industry students get knowledge about alcohol production then how sugar is formed from sugarcane and what type of packaging process are there for sugar bag packing.

Ajinkyatara Sahakari Sakhar Karkhana Ltd. Shendre

After visiting that place students left Satara at 5.00pm and reached Koregaon at 06.30 pm. With plenty of information students enjoyed the educational tour.
