

Department of Zoology

NOTICE

Date: 2nd January 2025

All students of B.Sc. I, II, and III are hereby informed that the Department of Zoology is organizing a Science Exhibition on Friday, 3rd January 2025, in the Zoology Department premises. Highlights of Science Exhibition will showcase posters on bird biodiversity, amazing reptiles, and live displays of white rats, guppy fishes, crabs, and love birds. It will also feature silkworm cocoons and handicrafts, highlighting the importance of sericulture. A special contribution from the Hindavi Research Centre, Satara, will present the life cycle of silkworms in detail.

This is a unique opportunity to explore the wonders of biodiversity and gain practical knowledge about zoological studies. Attendance is mandatory for all Zoology students.

Subject :- Invitation as a Chief Guest for Science Exhibition.

Respected Sir,

I am pleased to inform you that D.P. Bhosale College, Koregaon is organizing 'Science Exhibition' on Friday, 3rd January 2025 in College premises. The event aims to provide a platform for students to showcase the scientific creativity, innovation and ideas. I cordially invite you as **Chief Guest** for the inauguration of exhibition at 11.00 am and encourage our students.

Looking for your positive response.

Thanking You,

Yours faithfully,

Subject:- Letter of Thanks and Appreciation.

Respected Sir,

On the behalf of D.P. Bhosale College, Koregaon I would like to express our sincere gratitude to you for gracing as a **Chief Guest** for inaugural ceremony of our **Science Exhibition** on Friday 3rd January 2025. I deeply appreciate the time you took to join us and make the event successful and memorable.

Thank you once again for being a part of our event.

Thanking you.

Yours faithfully,

Science Exhibition organized by the Department of Zoology

Report

The Department of Zoology at D. P. Bhosale College, Koregaon, organized Science Exhibition on Friday, 3rd January 2025, aimed at fostering curiosity and highlighting biodiversity's significance. This event showcased a wide array of exhibits and marked a collaborative effort between the college and Hindavi Research Centre, Satara, under their Memorandum of Understanding (MoU).

The exhibition was inaugurated by the esteemed Prof.(Dr.) V. Y. Deshpande, Director of Hindavi Research Centre, Satara, in the auspicious presence of Prin. Dr. L. D. Kadam, whose participation added immense value and inspiration to the event. This collaborative activity exemplified the shared dedication of both institutions toward promoting education and science. Hindavi Research Centre contributed significantly by presenting an elaborate display of the life cycle of silkworms, which was a highlight of the exhibition and captivated the visitors.

Demonstration of Rat

The Department of Zoology arranged an array of exhibits to showcase the rich diversity of the animal kingdom. Posters of birds, illustrating their variety and ecological significance, captured the attention of attendees. The "Amazing Reptiles" section fascinated visitors by displaying the unique adaptations and characteristics of these intriguing creatures. Live exhibits of white rats and guppy fishes offered a closer look at animal physiology and behaviour, while a creative display of silkworm cocoons and handicrafts highlighted the economic and ecological importance of sericulture. The inclusion of live crabs and love birds added an interactive and vibrant dimension to the event, drawing significant interest from visitors.

Observation of Posters by Chief Guest

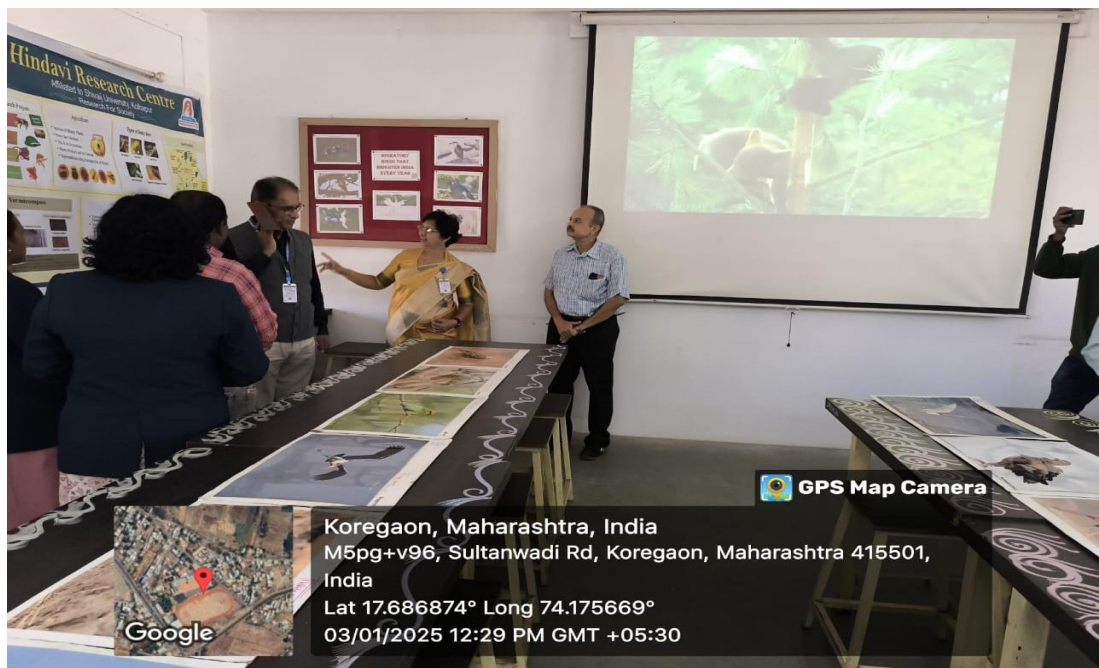

The Head of the Department of Zoology, Dr. Mrs. S. P. Nalawade, along with faculty members, worked tirelessly to ensure the exhibition's success. Their dedication, coupled with the enthusiastic participation of students from the department, resulted in a well-organized and highly educational event. The collaborative effort underscored the commitment of the department to fostering a deeper understanding of zoology among students and the wider community.

The exhibition drew a large audience, particularly school students from Koregaon, who eagerly explored the displays. Their curiosity and engagement with the exhibits reflected the event's success in inspiring young minds to appreciate biodiversity and the natural world. Visitors were particularly impressed with the interactive exhibits and the scientific knowledge imparted by the students and faculty.

Inauguration of Exhibition by Prof. (Dr.) V.Y. Deshpande
