“Bio Revolution”

On the occasion of Republic Day, Department of Zoology has celebrated Republic Day for the B.Sc. I students of the college. On 26th January 2022, Department of Zoology organized “**Model preparation competition**” based on Life cycle of Insects. This activity was organized to explore, encourage and imbibe the scientific attitude about Insect. It also helped students to think and work creatively for creating models of Insect life cycles. The aim of this competition was to increase the involvement of students in Departmental activity.

This competition was inaugurated by the auspicious hands of Head, Department of Economics, Mr. V.J. Wadate, Prin. Dr. V.S. Sawant and Head, Department of Zoology, Mr. C.B. Jawale. The program was initiated with welcome by Mr. C.B. Jawale, Head, Department of Zoology. Prin. Dr. V.S. Sawant addressed students about importance of Insects and life cycle of insects.

Then all staff visited to each and every model and interact with students. 36 students took the advantage of this competition and participated enthusiastically. The committee is thankful to all the members who have directly or indirectly contributed to this work and made this event successful.
