**"Celebration of World wild life day"**

Considering the COVID-19 pandemic situation in the academic year 2020-2021, Department of Zoology has celebrated World Wild life day for the all students of the college. On 6<sup>th</sup> March 2021, Department of Zoology organized Wallpaper Exhibition based on wild life of India. This activity was organized to explore, encourage and imbibe the awareness about wild life in the students. It also helped students to think and work creatively and promoted scientific awareness about biodiversity. The aim of this exhibition was to understand importance of wild life, to introduce values of biodiversity conservation.

Students firstly visited department, understood the theme of exhibition, state wise wild life of India in pictorial format which is helpful for understanding the value of wild life. Miss Shaikh N. A. provided lot of information about history, endangered and endemic species of animals and process of biodiversity conservation. This knowledge was really helpful to the students for further applications in biodiversity conservation. 106 students and 20 staff visited the Wallpaper exhibition. The committee is thankful to all the members who have directly or indirectly contributed to this work and made this event successful.
