DEPARTMENT OF ECONOMICS
Field Visit
2019-20

Report

The department of Economics organized the student centric activity of field visit on 11th February, 2020 to Star Mulching Paper at Hivare. The objective of this field visit is to inculcate the entrepreneurial skills among the students. This visit was helpful for students to understand the importance of mulching paper in the agricultural sector to increase the crop production in the farms. The farmer described how this mulching paper is used for agricultural production and how mulching paper benefit crops in the field and how it prevents damage to crops.

This field visit was attended by 16 students from B. A. III year and 3 faculty members. The feedback received from students was satisfactory. From this field visit students learn how to start their own business in future. This field visit will be beneficial for students to emerge as entrepreneurs in our society in future.
