

Respected Sir/Ma'am,

Greetings from KSG!

We take this opportunity to introduce KSG (Khan Study Group) and seek your co-operation in bringing our knowledge and expertise in the field of UPSC examinations to the students of your college.

KSG founded by Dr. A.R. Khan in 2008, is an institution which specializes in the field of UPSC coaching. The new pattern and syllabus (2013 onwards) of UPSC is very dynamic and requires a deep thorough understanding of General Studies. Out of the total 2025 marks counted for the final selection, 1525 marks are from general studies area. This shows how significant general study is to the exam. We have specialization in this area, and we are proud to inform you that in the last 5 years 3 highest scorers in General Studies mains have been from our classroom program. Also, all top 10 successful candidates of UPSC Civil Services Exam 2018 are from KSG, and total has more than 400 overall final selections in the same year.

In 2017 Anu Kumari (AIR-2) & Sachin Gupta (AIR-3) and in 2015-16 Tina Dabi (AIR-1) & Athar Aamir (AIR-2) and numerous more were from KSG.

All this clearly shows that KSG is able to keep up with the changing pattern of UPSC exam and is also able to deliver
