Dear Sir/ Madam

It gives us immense pleasure to cordially invite you to participate and share your valuable views in a Two Day International Interdisciplinary Conference on **Issue and challenges of human life** to be held on 1st & 2nd April 2019.

About the Sanstha :

The Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution late Dr.Karmveer Bhaurao Patil, was a man of the masses who devoted all his mind and heart to the cause of their education.

About the College :

D. P. Bhosale College, Koregaon is an educational institute imparting education in rural area affiliated to Shivaji University, Kolhapur. It was established in 1968 with Arts, Science and Commerce faculties in the initial stage at the graduation. The inspiration for inception of this college came from Hon. Y. B. Chavan, Former Chief Minister of Maharashtra and Deputy Prime Minister of India; Hon. Dadasaheb Jagtap and Hon. Dhondoji Patloji Bhosale. The college is renamed after D. P. Bhosale who was generous and donated large amount for the well being of the students. For further development this college was handed over to Rayat Shikshan Sanstha, Satara.

In last few years, this college has grown up with various new academic courses including BCA, B.Voc & post-graduation. The college has strong infrastructure like Academic Wing, Science Wing, Library Building, Indoor Sports Complex, Ladies Hostel, Support Service Building, Canteen and spacious play ground with standard 400 m. running track. The college has a very good tradition of organization of national and inter-national conferences.

About the International Conference

In the present era, issues & Challenges of human life is in the term of standard of living, life style, thinking, professionalism, competition etc. that are cause of creating various problems and needs to focus on it.

Throughout the history, man has been facing Cold War, Economic Problem, Human Rights, Independence Movement, Land Reforms, International Trade, Role of IMF & IBRD, Women

movement, Feminism movement, Co-operative Movement, Terrorism, Globalization, Peasant Movement, Castism, Regional Crisis, Regional & Linguistic Disputes, Global Warming, Civilization Problems, Rural Problems, Biodiversity, Land slide, Diversification of Cultivation, land, water, soil and other natural resources for the sake of his livelihood and for further his development. Because of his ambitious and greedy nature exploitation of resources occurs. Due to his negligence and misuse, overuse of the land, water, soil, and natural resources several historical, economical as well as geographical problems arise. Therefore it is essential to know the historical, economical and geographical problems of the world and to minimize them by applying the expertise of historians, economist & geographers along with the other social as well as pure science academicians. From this point view the proposed interdisciplinary international conference is being organized.

Interdisciplinary International Conference on

“Issues and Challenges of Human Life”

1st & 2nd April, 2019

Brief Report

Society heaps on additional concerns in the form of crime, violence, economic problems, prejudice, political discord, terrorism, and environmental issues. All of these problems are complex, and their solutions elusive. Yet they share a common link. For the most part, they are all caused by human beings.

On the occasion of Centenary Year of Rayat Shikshan Sanstha and the Golden Jubilee Year of D. P. Bhosale College, Koregaon, the Department Economics of in collaboration with Department of History and Geography organized Interdisciplinary International Conference on **Issues and Challenges of Human Life**. The prime objective of the conference was to invite Research Papers to be presented in the conferences so that the themes chosen for the conference would be explored by the budding research scholars, students and academicians in the respective discipline. Accordingly, the researchers explored historical, geographical and economic aspects of these people. The next objective was to invite the International figures and internationally reputed Resource Persons in this conference to guide and motivate the emerging research scholars. Both the objectives have been attained.

Total number of Research Papers Received : **31**

Total Number of Participants : **51**

Number of Resource Persons from Abroad : **07**

Number of Resource Persons from India : **08**
