Add on Course in Sustainable Development 2020-21

As the department always strives for the best, taking into consideration the need of the students. The department has started Add course in **Sustainable Development**. The department has designed this course. It has its own Board of Studies (BOS). All the faculty members took active participation in running the said course.

The department started “**Sustainable Development**” from the year 2020-21. The present faculty of the Department teaches this course as well. In addition to it the exam is taken and the certificates are issued to the students.
