## REPORT

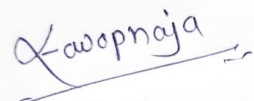

The department of Botany organized Hands-on Workshop on Floristry on 28th August 2023. The workshop is organized to promote the importance of flowers. Flowers play an important part in our lives. The art of Floristry is important because flowers have become intertwined with the biggest and most important events of our lives. In this workshop a floral expert will teach you how to care for your fresh flowers properly & share tips on floral hygiene, flower storage, care & conditioning of flowers and also how to maintain your floral arrangements to ensure their lasting beauty.

The five elements of design are line, color, form, space & texture. Floral arrangements can transform a dull room into an invigorating space. The colors like orange & red have been proven to boost energy, while shades of blue & green provide a serene feeling. Floristry is the production, commerce & trade in flowers. It encompasses flower care & handling, floral design & arrangement. The first flower shop in the United States opened prior to 1851.

Floristry concerns the cultivation of flowers as well as their arrangement & sale. Floral design or floral arts is the art of creating flower arrangements in vases, bowls, baskets or other containers or making bouquets.

The workshop was inaugurated by Prof. Dr. B. S. Lokde, Administrative Vice-Principal, D. P. Bhosale College, Koregaon in presence of Mrs. A. S. Salunkhe, Vice – Principal, Science Faculty, D. P. Bhosale College, Koregaon. The introduction and Welcome of the workshop was given by Dr. S. M. Deshpande, Head, Department of Botany, D. P. Bhosale College, Koregaon. The Resource Person of the workshop Mr. Vishwanath Khandait is expert in floral arrangement. He had given training on

making different kinds of floral arrangements including bouquet, car decoration, party hall decoration, VIP / executive bouquet etc. He also provided information on material required for floral arrangement, suppliers, costing, marketing and business strategies in flower market. The workshop was attended by 75 participants from B. Sc. And B. Voc. (Sustainable Agriculture). The workshop preceded over with comparing by Mr. U. D. Mane (B. Sc. III) with technical support by Dr. P.P. Kamble and Mr. S.V. Thigale. The session end with the words of gratitude by Mrs. S. S. Shinde. This workshop will definitely enlighten the spark of self-employment and business among the students in floriculture.
