Role of Students as a Teacher

on the occasion of
Teacher's Day (5th September, 2024)

Brief Report

Department of Mathematics organized activity the Celebration of Teacher 's Day. The faculty from the department decided to celebrate the Teacher's Day on 5th September,2024. The celebration included the role of students as a teacher .

The main objective of the activity was to inculcate the value system among the students and national development of the students. Role plays provide students with the opportunity to take part in activities which mirror career-related scenarios, enhance current teaching strategies, motivate and engage students. Students who play the role of teachers from third and second year of B.Sc. teaches various topics of Mathematics and Statistics like Complex number, Demoivre's thorem, Cauchy's Theorem, Probability, Geometric Mean to the students.

For the successful conduct of this activity, the faculty from the Mathematics department contributed a lot. The 7 students of the department actively participated in celebration of Teacher's Day.
