D. P. BHOSALE COLLEGE, KOREGAON

Department of Microbiology

NOTICE

Date: 2nd January 2025

All students of B.Sc. I, II, and III are hereby informed that the Department of Microbiology is organizing a Science Exhibition on Friday, 3rd January 2025, in the Microbiology Department premises. Highlights of Science Exhibition will showcase posters, Scientific Model, Blood Detection kit, HB Kit, Microorganisms Demonstration, Culturing Method, and Sterilization Technique,. It will also feature Microorganisms Incubation.

This is a unique opportunity to explore the wonders of Clinical Microbiology and gain practical knowledge about Microbiological studies. Attendance is mandatory for all Microbiology students.

D. P. BHOSALE COLLEGE, KOREGAON

Science Exhibition organized by the Department of Microbiology

Report

The Department of Microbiology at D. P. Bhosale College, Koregaon, organized Science Exhibition on Friday, 3rd January 2025, aimed at Clinical and the Immunology significance. The main objective Science Exhibition is to bring out the creative expression of students and to gauge their knowledge and awareness of various trends in life sciences.

The exhibition was inaugurated by the esteemed Prof.(Dr.) V. Y. Deshpande, Director of Hindavi Research Centre, Satara, in the auspicious presence of Prin. Dr. L. D. Kadam, whose participation added immense value and inspiration to the event.

The Department of Microbiology, Mr.M.M.Jadhav & Ms.A.U.Gaikwad along with faculty members, worked tirelessly to ensure the exhibition's success. Their dedication, coupled with the enthusiastic participation of students from the department, resulted in a well-organized and highly educational event. The collaborative effort underscored the commitment of the department to fostering a deeper understanding of Microbiology among students and the wider community. The exhibition drew a large audience, particularly school students from Koregaon, who eagerly explored the displays. Their curiosity and engagement with the exhibits reflected the event's success in inspiring young minds to appreciate Clinical and the Immunology Field. Visitors were particularly impressed with the interactive exhibits and the scientific knowledge imparted by the students and faculty.

Participation and Audience

The exhibition attracted 140no.of attendees, including students from various departments, faculty members, researchers, and schoolchildren. The interactive nature of the exhibits received positive feedback, with many visitors expressing interest in microbiology as a career path

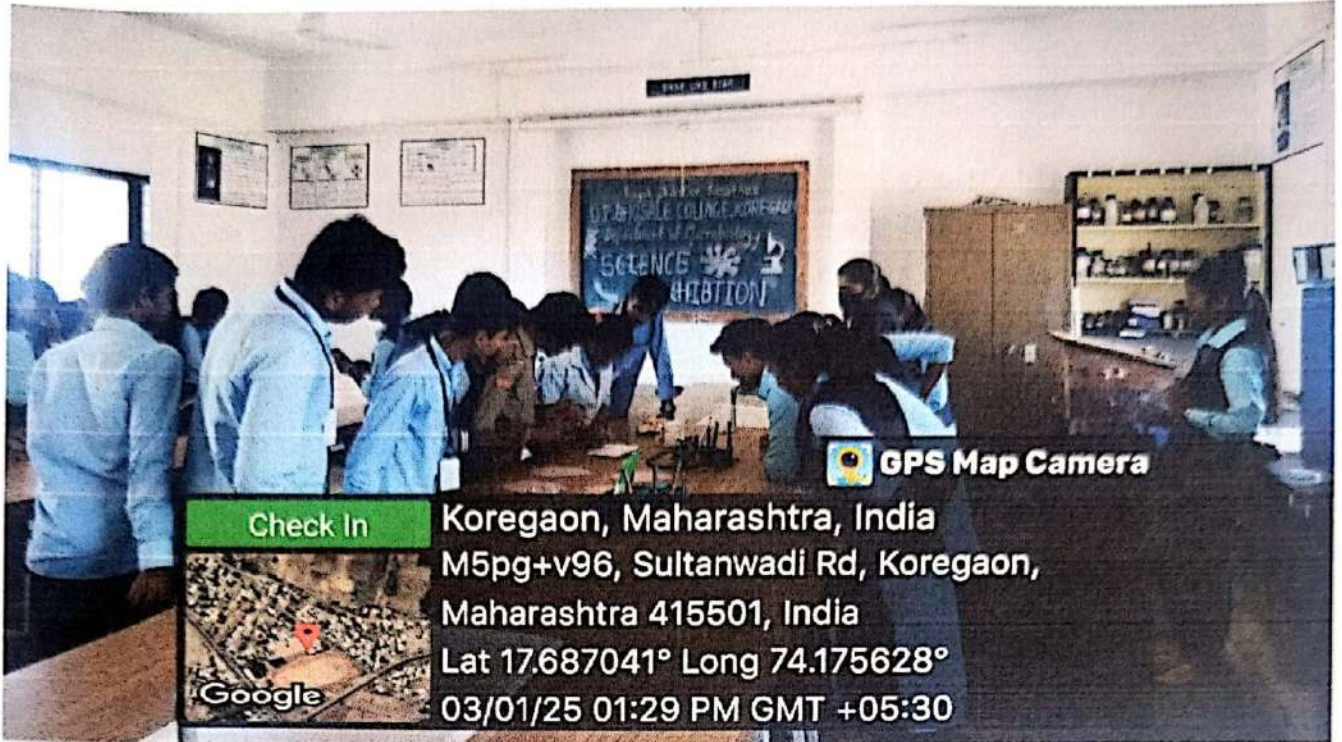

Outcomes of the Exhibition

1. To highlight recent advancements and discoveries in the field of microbiology.
2. To encourage students to present innovative projects and research.
3. To create a platform for interaction between academia, industry professionals, and the general public.

Inauguration of Science Exhibition by Prof.Dr.D.Y.deshpande
